## **NEW DAIRY PRINCESS CROWNED**

### **Makenna Vlot of Chowchilla Selected as District 5 North Dairy Ambassador**

TRACY, Calif. – June --, 2023 – Makenna Vlot of Chowchilla was selected as the 2023 Dairy Princess for the California Milk Advisory Board’s (CMAB) District 5 North in a crowning event on Wednesday, May 24, 2023.

Makenna will represent District 5 North, which includes Fresno and Madera counties. As Dairy Princess, she will play a key role on the CMAB’s Communications Services team in meeting community relations objectives.

Makenna is the daughter of Case and Darcy Vlot. She is actively involved in her family’s calf ranch operation, shows dairy cattle across the state of California, and is a member of her local Future Farmers of America Dairy Judging team. Makenna is also involved with the California Junior Holstein Association where she has participated in Dairy Bowl and Dairy Judging. Makenna will be a Senior at Golden Valley and she plans to attend Texas A&M or Oklahoma State University after graduation where she will major in Dairy Science.

Makenna’s duties as Dairy Princess will include speaking on behalf of the California dairy industry to various audiences throughout the year.

As Dairy Princess, Makenna will attend a professional development training focused on presentation skills, advocating for the California dairy industry, leadership, and business etiquette.

For more information about the District 5 North Dairy Princess contest and events, please contact District 5 North Chairperson Lucy Areias at 559-994-8331.

California is the nation's leading milk producer, and produces more butter, ice cream and nonfat dry milk than any other state. California is the second-largest producer of cheese and yogurt. California milk and dairy foods can be identified by the Real California Milk seal, which certifies they are made with milk from the state's dairy farm families.

### **About Real California Milk/California Milk Advisory Board**

The California Milk Advisory Board (CMAB), an instrumentality of the California Department of Food and Agriculture, is funded by the state's dairy farm families who lead the nation in sustainable dairy farming practices. With a vision to nourish the world with the wholesome goodness of Real California Milk, the CMAB's programs focus on increasing demand for California's sustainable dairy products in the state, across the U.S. and around the world through advertising, public relations, research, and retail and foodservice promotional programs. For more information and to connect with the CMAB, visit [RealCaliforniaMilk.com](http://RealCaliforniaMilk.com), [Facebook](#), [YouTube](#), [Twitter](#), [Instagram](#) and [Pinterest](#).
