INNOVATIVE DAIRY FOODS MADE WITH SUSTAINABLE MILK FROM CALIFORNIA TO BE SHOWCASED DURING SUMMER FANCY FOOD SHOW

California dairy processors to exhibit in New York June 25-27, 2023

Tracy, Calif. – (June 16, 2023) –The California Milk Advisory Board (CMAB) will spotlight a diverse selection of innovative and sustainably sourced specialty dairy products at the 2023 Summer Fancy Food show in New York, N.Y. June 25-27, 2023.

CMAB will sample an assortment of dairy applications including cheese, Hispanic dairy, lassi, and dairy protein puff snacks. California dairy processors in attendance will include DiStefano Cheese Co., Rizo Lopez Foods, In Good Hands and Dosa by Dosa. Attendees can visit CMAB booth #766 to learn more about products made with milk from California dairy families as well as the 5th Annual RCM Excelsior Open Innovation competition for new product innovation.

“The specialty food category is important to our California dairy processors who are making some of the most innovative, on-trend cheeses, dairy foods and snacks available. The Summer Fancy Food show is a tremendous outlet to showcase this innovation and sample with food manufacturers, buyers, entrepreneurs, and innovators,” said John Talbot, CEO of the CMAB. “California’s award-winning dairy processors and cheesemakers are leading the industry with reliable and consistent products powered by sustainably sourced milk from California’s dairy farm families.”

California is the nation’s leading milk producer, and makes more butter, ice cream and nonfat dry milk than any other state. California is the second-largest producer of cheese and yogurt. California milk and dairy foods can be identified by the Real California Milk seal, which certifies they are made with milk from the state’s dairy families using some of the most sustainable farming practices in the world.
