**CALIFORNIA DAIRY DISTRICT 5 NORTH SEEKS AMBASSADORS TO SERVE AS
2024 DAIRY PRINCESSES**

Annual Dairy Princess Contest Returns to Fresno

FRESNO, Calif. – February 27, 2024 – Each year, an exceptional group of young women are selected to represent California’s dairy farm families and their respective districts as advocates on behalf of the leading agricultural commodity in the state. During their one-year term, these Dairy Princess ambassadors represent the dairy industry in several local and state activities. Applications are now open for eligible candidates to compete in the District 5 North Dairy Princess contest.

The District 5 North Dairy Princess and her alternates will represent Fresno and Madera counties. The application deadline is Friday, March 8, 2024. The contest will be held in Fresno with a date to be determined.

Contestants must be a junior in high school and can be up to 21 years of age by the contest date and be unmarried. Contestants can qualify to be a candidate by fulfilling the requirements of at least one of the following: 1) Have resided on a dairy cattle farm at some time during her life (does not have to currently reside on a dairy cattle farm); or be the daughter and/or the granddaughter of a past or present dairy cattle farm owner, 2) Be the daughter or ward of a person presently employed full-time as an owner or employee of a dairy cattle processing plant or dairy distributor in California, 3) Be the daughter or ward of a person employed full-time on an operating dairy cattle farm in California, 4) Be currently employed, or the daughter or ward of any person employed in a dairy cattle-related industry, such as dairy financing, sales, or service; veterinarian; milk tank, grain, or hay truck driver; milk inspector; grain supplier; hay dealer; alfalfa and/or grain producer; or raise dairy replacement heifers, 5) Currently is or has been a member of a 4-H or FFA program where she participates in dairy cattle-related projects, i.e. raise and show dairy cattle and/or evaluate dairy products; owns or has owned her own dairy cattle.

Dairy Princess ambassadors and alternates are selected during events in districts throughout the state, where they showcase speaking skills, knowledge of dairy, and plans to represent the industry during their one-year term. California Dairy Princesses serve as industry advocates in their home district and throughout the state, supporting the reputation of milk and dairy products through appearances at schools, fairs, industry meetings, service clubs, and parades. The newly

selected princesses and alternates will also participate in a mandatory orientation week where they receive professional development coaching.

The California Dairy Princess Program has been in effect since 1958 and is supported by California dairy producers through the California Milk Advisory Board (CMAB) and by local planning committees. Information and application forms are available at <https://www.californiadairyroom.com/ca-dairy-princesses>. Additional questions can be directed to Anastasia Stuyt, California Dairy Princess Coordinator, at dairyprincess@cmab.net.

California is the nation's leading milk producer, and makes more butter, ice cream and nonfat dry milk than any other state. California is the second-largest producer of cheese and yogurt. California milk and dairy foods can be identified by the Real California Milk seal, which certifies they are made with milk from the state's dairy farm families who lead the nation in sustainable farming practices.
